

Fax to the Future II Trade-In Program

Save
\$100 per port

Cantata Technology™ is making it easier than ever to upgrade your fax server and take advantage of the latest in intelligent fax including IP, the future of communications networks. For a limited time, from October 1, 2006 through December 31, 2006, Cantata is offering \$100 per port savings* on qualifying Brooktrout® and competitive fax platform trade-ins.

Upgrading to the Latest Brooktrout Fax Technology Gives You:

- The latest V.34 technology delivering fast 33.6Kbps overall fax transmission speeds - now offered as DID/Combo boards with outbound V.34 support
- Investment protection against the future disruptive shift to IP-based voice networks with real-time fax over IP support
- Connectivity to leading edge T.38 gateways from Cantata and Cisco
- Unparalleled levels of system reliability, compatibility, fax machine connectivity, and average overall transmissions speeds
- Responsive technical support, 5-year hardware warranty and access to next-day replacement with Express Exchange Service

How it Works

- Purchase any new Brooktrout TR1034™ or SR140™, between October 1 – December 31, 2006. Note the serial number on the new boards or your license registration number for your software purchase and save your proof-of-purchase.
- Complete the Trade-In Registration Form during the promotional period. The trade-in form is located at: www.cantata.com/futurefax.
- Once you receive confirmation, ship your trade-in boards or provide proof of ownership of the eligible trade-in software to Cantata along with the proof-of-purchase, and a printed copy of your e-mail confirmation.
- Upon receipt and validation of your trade-in, Cantata will process your rebate. Rebates will be issued approximately 45 days from the time your boards are received.

Terms and Conditions

Cantata OEM and service provider customers are not eligible to participate in the program. To find out if you're eligible for the trade-in rebate, please call your Cantata fax board reseller

The following terms and conditions apply to the Fax to the Future II upgrade program.

- This promotion is valid from October 1 - December 31, 2006. Invoice dates for qualifying replacement Cantata Technology products must fall within the promotional period to be eligible for trade-in rebate
- The Cantata trade-in promotion is open to Cantata application partner customers, resellers, and end-user customers worldwide
- This offer is not valid with any other promotional offers and/or special pricing discounts from Cantata Technology.
- Only the purchase of qualifying product(s) is eligible for trade-in of qualifying product(s). Refer to www.cantata.com/futurefax for complete list of eligible products. Rebates are not valid on the purchase of evaluation, used or leased equipment.
- Products eligible for rebate must have been purchased between October 1 – December 31, 2006.
- Rebate credits are calculated based on replaced product. Rebate amount is \$100 per trade-in port for qualifying Cantata fax products and qualifying competitive fax products. Limit of one \$100 per port rebate against each new port purchased, dependent on product traded in.
- Cantata Technology will provide instructions for shipping and a trade-in acknowledgement tracking number.
- Program participants are required to turn in their replaced equipment to Cantata Technology in order to be eligible for rebate. Program participants are responsible for all shipping related charges. Trade-in products must be in working condition, and complete. Cantata reserves the right to request original invoice for trade-in products to determine if trade-in qualifies. Cantata reserves the right to determine whether replaced equipment being traded in is comparable or complete.
- Trade-in acknowledgements, submission forms, and shipping information can be obtained via the Cantata web site at www.cantata.com/futurefax.
- Program participant must ship all trade-in equipment to Cantata within 90 days from the date of purchase of new Cantata products to qualify for the rebate. No exceptions will be made.
- Leased, rented, gray market, and/or stolen equipment are prohibited for use in the trade-in program. Product(s) must be wholly owned by the program participant.
- Cantata customers with established terms of trade will be issued their trade-in rebate as a credit memo. Other rebates will be paid as a check, or wire transfer in US Dollars, Euros, or in Pounds Sterling.
- Unless a credit memo is issued, reimbursement rebates will be issued as follows: US Region will receive rebate check in US Dollars, European Union rebate as a Euro Wire, England rebate as GBP wire, all other regions rebates issued in US Dollars by wire transfer or check.
- Rebate payments will be issued to the company participating in the program, not the participant as an individual. Cantata Technology shall not be liable to any end-user company or participant for its issuance of rebate(s) to the name and place specified.
- Once issued, rebate payments are not transferable and will not be reissued for use by another participant.
- Rebate payments will be issued within 6–8 weeks after the replaced equipment is returned, inspected, and the properly completed supporting documentation is received.
- The program participant is responsible for preparing and submitting all required documentation in connection with the return of traded equipment.
- Only a copy of the purchasing invoice for replacement Cantata Technology equipment will serve as valid proof of purchase. Cantata reserves the right to contact point of purchase location for verification.
- Program participant is responsible for payment of all taxes, if applicable, in connection with the receipt of trade-in rebates.
- Subsidiaries, affiliates, and or employees of Cantata Technology, are ineligible for the trade-in promotion.
- Cantata reserves the right to change or cancel these terms and conditions without notice.
